

Curriculum Vitae

Reidar K. Lie
rlie@cc.nih.gov

CURRENT POSITION

Senior Staff Scientist

Department of Bioethics, NIH, USA

EDUCATION

Ph.D (Philosophy) July 1987

University of Minnesota, Minneapolis

Thesis: "Theory change in cardiovascular research"

M.D., June 1983.

University of Bergen

Mag.art. (Philosophy) September 1982

University of Bergen

Thesis: "Acceptance and rejection of hypotheses in medical science"

OTHER AND PREVIOUS ACADEMIC POSITIONS

Professor of Philosophy, 1995 -

University of Bergen, Norway

Adjunct Professor, 2000 -

Thammasat University, Bangkok Thailand

Assistant Professor, 1987 – 1989

Department of Medical Humanities

School of Medicine

East Carolina University, Greenville, North Carolina,

Director, 1989 –1995

Center for Medical Ethics

University of Oslo, Norway

Professor of Medical Ethics, 1992 – 1995

University of Oslo, Norway

MAJOR FUNDED RESEARCH PROJECTS

Research Program in Bioethics

Director of a 5 year research and competence building project in Medical Ethics, funded by the Norwegian Research Council, 1989-1994. A total of 7 Ph.D. students were associated with this project, all of whom have successfully defended their dissertations. Funded by the Norwegian Research Council, US\$ 1,000,000

ETHICA - Ethics and Health: An International and Comparative Arena. Core project is a collaboration between the University of Colombo, Sri Lanka and the University of Bergen, Norway in ethics and health policy. Funded from 1996-2006. Co-director. Funded from Norwegian Council for Higher Education=s Programme for Development Research and Education, US\$ 500,000

SEAHEN - South East Asian Health Ethics Network. Consultant on a WHO-SEARO region project with the aim of creating a network in the region as well as initiating research projects. Funded from 1997 - 1998 by World Health Organization, South East Asian Regional Office, New Delhi, US\$ 200,000

EUROPEAN ETHICS NETWORK - EU funded Socrates project with the aim of producing European textbooks in applied ethics as well as prepare a European Mastersprogram in ethics. Co-coordinator of the Bioethics part of this project. Funded from 1997 - 1999, by European Commission, Brussels US\$ 3,000 (Bergen part)

EURO ELSAV - BIOMED project on ethical, legal and social issues in vaccine development, coordinated from Rome. Responsible for a sub-project on ethical issues in international collaborative vaccine trials within this general project. Funded from 1998 - 2000, by European Commission, Brussels. US\$ 60,000 (Bergen part)

HUMAN RIGHTS, EQUITY AND HEALTH SECTOR REFORM. TDR/WHO funded project involving three countries, Bangladesh, Sri Lanka and Thailand. Funded 1998-1999. Funded by World Health Organization, Geneva, US\$100,000

CTC-ETHICS - Ethical issues in clinical trial collaborations with developing countries. EU funded, 2000-2002. Director. Funded by European Commission, Brussels, US\$ 300,000

EVIBASE. Ethical issues in evidence based medicine. EU funded project 2001-2002. Funded by European Commission, Brussels, US\$ 50,000

BIG Bioethical Implications of Globalization. EU funded project, 2002-2004. US\$ 800,000

EDCEP – European Developing Countries Ethics Partnership, EU funded project, 2003-2005, US\$ 240,000

EDITORIAL POSITIONS

Editorial Advisory Board
Theoretical Medicine

Editorial Advisory Board
Ethical Perspectives

Editorial Advisory Board
Developing Countries Bioethics

Editorial Advisory Board (1994-1997)
Social Science and Medicine

Editorial Advisory Board (1990 – 2000)
Journal of Medicine and Philosophy

BOARDS AND OTHER POSITIONS

INTERNATIONAL ADVISORY COMMITTEES

Consultant for the European Commission on capacity building in developing countries, 2006

Consultant for UNAIDS/WHO on access to care for participants during vaccine trials, 2005 - 2006

Member, Ethics Committee of the Human Sciences Research Council, South Africa, 2006 -

Member, International Advisory Committee of the International Association of Bioethics 8th World Congress, Beijing China, 2006

Member, Advisory Board of University of Maryland School of Medicine Research Ethics Training Initiative in Egypt, 2005-

Member of Scientific Advisory Board, South African Aids Vaccine Initiative, 2004-

Member, Advisory Board of Johns Hopkins University-Fogarty African Bioethics Training Program, 2002-

Member of UNAIDS team to do an ethical review of phase III HIV vaccine trial in Bangkok, Thailand, 2001

Review of research proposals for funding, Belgian Research Council, 2001

Member of Advisory Group for the CIOMS Research Ethics Guidelines, 2000-2002

Review of research proposals for funding under the Quality of Life Programme, European Commission, 1999-2003

Member of UNAIDS team to assess plan for HIV vaccine development in Kenya, South Africa and Zambia, 1999-2000

Member of writing team for the UNAIDS HIV vaccine Ethics Guidance Document, 1998-2000

Ethics review of funded research, European Commission, 1998-2003

Member of Community Advisory Board, Immuno AG, Vienna, 1994-1996

NORWEGIAN COMMITTEES

Commission of the Ministry of Health on Psychiatry and Lobotomy in Norway. Member, 1991-1992

Commission appointed by the Social Security Court on definition of disease for the purpose of sickness certification. Member, 1994

NIH SERVICE

Consultations for Division of AIDS, NIAID, including PSRC and CSRC, from February 2005

Ad hoc consultancies on issues related to the UNESCO Universal Declaration of Bioethics, Council of Europe Stored Tissue Convention, Declaration of Helsinki

Ad hoc consultancies on issues related to specific protocols reviewed by NIAID, and policy proposals regarding treatment provision in HIV treatment trials.

Consultations and Participation in training programs conducted by Fogarty funded programs in South Africa and the Philippines.

Member of international research ethics group, subcommittee of EPMC

INTERNATIONAL TRAINING WORKSHOPS IN BIOETHICS AND RESEARCH ETHICS

Organized one-week training workshops for faculty of medical and nursing schools funded by WHO-SEARO in Sri Lanka and Nepal. A total of five workshops between 1996 and 1998

Organized three day training workshops for members of research ethics committees in Geneva, Brazil, South Africa and India 1998-1999, funded by UNAIDS

Organized over 30 three day to one week training workshops in Thailand, Indonesia, India, China, Japan, Nepal, Nigeria, Uganda, South Africa, Mali, Ghana, Tanzania, Ethiopia, Brazil, Argentina, Peru, Israel, Egypt, 2000-2007

Development of training curriculum in Bioethics for the South East Asian Region, 1999-2001

Introduction to bioethics. Module in Diploma Course in Health Policy, University of Colombo, Sri Lanka, November 2004

TEACHING EXPERIENCE

UNDERGRADUATE TEACHING

Teaching of bioethics to medical students

Teaching of research ethics to post-graduate students

Teaching of philosophy of science, ethics and bioethics to philosophy students

POSTGRADUATE TEACHING

Philosophy of Science and Ethics to Master level students in Philosophy

Thesis supervision of students in International health

Thesis supervision of students in Philosophy Department

Continuing Medical Education for physicians and nurses

PH.D. STUDENTS SUPERVISED

Per Nortvedt: Sensitive Judgment. Nursing, Moral Philosophy and an Ethics of Care, University of Oslo 1996

Per Sandberg: University of Trondheim, 1996. Genetic Information and Life Insurance: A proposal for an Ethical European Policy.

Lars Fjell Hansson: Autonomy and paternalism in health promotion, University of Oslo, 1997

Ole Frithjof Norheim, M.D.: Limiting access to health care: A contractualist approach to fair rationing. University of Oslo, 1998

Jon Vegar Hugaas. Buddhist and Christian perspectives on euthanasia, 2006.

Hans Magnus Solli, M.D.: An ethical analysis of the use of medical knowledge in welfare politics. Norwegian social welfare as a case, 2007

Sanga Intajak. Human rights, equity and health sector reform: A Thai perspective. Current

S. Sujeevan. Equity and Health Sector Reform in Sri Lanka. Current

Natapong Thanachaiboot. Benefit arrangements in international collaborative research. Current

Allen Alvarez. Ethics of priority setting: Procedures or substantive criteria? Current

THESES

Lie R. Acceptance and rejection of hypotheses in medical science. (Mag. art. thesis). Bergen, 1982. Advisor: Professor Gunnar Skirbekk

Lie R. Theory change in cardiovascular research (Ph.D. dissertation). University of Minnesota, 1987 Advisor: Professor Philip Kitcher
